

Launch 2024 in the  
best possible way!

# The typical objectives of an annual kick off

Which matters most to you this year?

# What other clients say

Hello Bob and Jim

I just wanted to convey my sincere thanks for all your input and efforts towards making today a great day. Thanks also for sharing such a lot of your valuable insights knowledge and experiences it is greatly appreciated.

**Charlotte. Head of Business Services**

Thank you Bob and Team for launching our change project across the business in such an effective and engaging way.

**Angela. Quality Manager**

Thank you Bob – you did a superb job despite extremely difficult circumstances. The launch could never have met the deadline without you.

**Sven. SAP Programme Manager**

Thank you Bob – The launch event was great. I am constantly staggered by your levels of energy, passion and belief. What I value above all is your ability to support, challenge as appropriate, and drive excellence in those you touch.

**Jeremy. Regional Managing Director**

Thank you, Jim your presentation certainly gave us, something to think about and key actions to take away from the event!

**Roscoe. Managing Director**
